

United States Senior Championships – going to “The Beach”;

MYRTLE BEACH, SOUTH CAROLINA - The ISSA has announced that the ISSA/ASA United States Senior Championships will be held at Myrtle Beach, SC on September 23-25, 2011. This National Championship event will utilize the new state-of-the-art facilities recently built in the area and provide the players an opportunity to visit one of the Nation’s favorite vacation spots. Players and fans are surely to create unforgettable memories in this South Coast paradise.

The United States Senior Championships will be a “ring” tournament and berths will be awarded for the ISSA/ISF World Tournament of Champions to be held next January at Tampa, Florida. The event will play by the ISSA Senior Rules including our equipment rules (senior bats allowed). The ISSA chose Myrtle Beach in September for this National Senior Tournament because it represents a favorite destination for the players, provides unlimited lodging opportunities and is developing some of the best adult softball fields in the Nation. It is also the home of Chelsea Jo’s Restaurant, a favorite for many softball players and fans who like to stop by to see an old softball friend, Lester Leonard.
